

Summary

To summarise we can liken the four product ranges to cars.

Reliant Robin = Natural Performance, Ford Focus = High Performance,

Sports Car = Excellent Performance and Formula One Racing Car = Premium Performance.

Pale, un-tanned skin

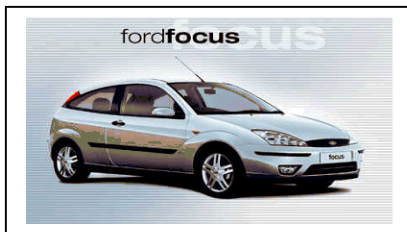

Dark, tanned, moisturised skin

A

B

Natural Performance

High Performance

Excellent Performance

Premium Performance

All the lotions in the range will get you from A to B but

The better the product the quicker the result
